

I'm not robot!

u right will appear and the orary must press a button (left) u b (right) in time to match the direction of the arrow. As the game progresses, two arrows will appear, which means that there are five buttons. If a button is pressed in time a wrong button is pressed. 10 correct selections are a perfect game. dream match (dream): the tamagotchi will be in front of 15 flowers that will briefly show what is behind them (7 pairs of dreams school characters and 1 spacytchi.) the flowers will hide their content again and the orary must select the hidden characters from flowers with corresponding designs, avoiding spacytchi, which will finish the game. TM Y inbring TM Y (present): the tamagotchi will be ending a gift. the orary has 12 seconds to mix the button as much as possible to fill the meter. after 12 seconds, the tamagotchi will close the present and its quality will depend on the full meter. Russian... choux (present): the tamagotchi will have a choice between 3 Russian choux ( soup cluster) on the table. the right choux will have a strawberry inside which the tamagotchi will eat. the wrong choux will be filled with hot peppers, which makes the tamagotchi breathe fire and weep. There are five rounds, but choosing the wrong choux ends the game. Strawberry cards (sanrio): the tamagotchi will be in front of 15 cards that will briefly show what is behind them (7 pairs of sanrio characters and 1 kuromi.) the cards will hide their content again and the orary must select the cards hiding the characters with corresponding designs, avoiding kuromi, which will finish the game. gudetama catch (sanrio): gudetama will show a picture of itself in a thought bubble and the orary should take the corresponding image on a dish they control. press one will move -o to the left and press b will-O to the right. There are 10 rounds, but making a mistake will finish the game. Connectivity O M! X presents infrared infrared And it is able to connect to others! X and Tamagotchi find devices along with the stations M! X. The M! X can also generate passwords that can be used to connect to the My M website! X Land and the Tamagotchi Meets application. When connecting to other M devices! X, the following willing options: Play: The two tamagotchis play together and farm one of the activities below. Visit: The Tamagotchi visit the other's house and they play with each other for a short time. QUESTION: Tamagotchi will try to guess which other parents of Tamagotchi is the father. Photo: The two of them take a picture together, which is saved under the option of photo under the gift of the member: the user can give food, items, accessions, rooms, mini games and places For the other proposal to marry the user: Tamagotchi can propose the other Tamagotchi, provided they are the opposite sex and accept the proposal. Fortune say: When used, Gypsies predict how will be the offspring of the two characters in their adult form, if they marry or make sure the two adults are good. Note that the forecast of offspring is just a guess and that the actual offspring may seem different. When connecting to a tamagotchi device, the options are limited to reproduction dates and gifts. M! X can send gifts to the meetings, but the meetings can not send gifts back. Disease and death the tamagotchi will be periodically sick throughout their lives. Of course, it is sick within a few hours of evolution, but it can also be sick by negligence, such as allowing it or your room to be dirty for a long time or allow the coconry to accumulate. If Tamagotchi is fed with snacks too quickly, it will receive a toothache. Both are healed using first aid acone. If the user neglects Tamagotchi very severely, the Grim Gotchi will appear. Select the first aid will transport the Tamagotchi to the hospital, while the darkIt is chased by Chestnut Angel. If the user does not respond within 15 minutes, Tamagotchi will die. The death screen is a blank screen with just the Tamagotchi ghost. Press the buttons A and C together will trigger a new egg to appear. For the close incubated egg, all the generated generated geners were lost, but the unlocked locations, all the foods and items, and the Gotchi points load. Tamagotchi M! X Estanion A M! X During the Verã f. o View Main Article: Tamagotchi M! X/M! Xable Characters#m! X Station Exclusive A self -nominated device called Tamagotchi M! X Station Paragraph beside SÁ © rie m! X. Acting as Deka Tamagotchi, M! X E will be found in stores throughout the japan and M! X devices can connect to it for exclusive count. The containment in the states has changed all seasons to coincide with the theme of the season. There were two modes that could be accessed at the Estação: SCHOOL MOTHER MINIGAMES: MINIGUARY VARIOUS LIKE COVER, ROOMS AND QUIYIES WERE ALL YEAR. There were also seasonal themes, such as Goldfish Dipping and Swimming Relay only dispinable during the venue. Minigames can be played with four people and usuals can earn points and items Gotchi depending on their results. Flea Market: The user can buy items from other uses or sell their own. School Swap: Related items à Exclusive school can be downloaded M! X Generator: The user can choose two characters Tamagotchi and Gypsytchi will predict how your offspring will be. Seasonal Mode Marriage: Attraviating the connection with the station as an adult. Tamagotchi will marry the special tamagotchi offered, and its descent inherit its genes genes. Contest: The user can enter your Tamagotchi in a contest and vote at other entries.
